

# **Terms and conditions of the Equipment Intervention Fund (EIF) call under SciMat PRA in the strategic program Excellence Initiative at the Jagiellonian University in the academic year 2020/2021**

## **I. Definitions**

For the purposes of these terms and conditions, the following definitions are adopted:

1. ID.UJ - the Excellence Initiative program at the Jagiellonian University.
2. SciMat PRA - the SciMat Priority Research Area specified in the application of the Jagiellonian University in the competition "Excellence Initiative - Research University".
3. Equipment Intervention Fund (EIF) - financial resources intended for the repair of research equipment.
4. EIF competition - the Equipment Intervention Fund call under SciMat PRA in the Strategic Program Excellence Initiative at the Jagiellonian University in the academic year 2020/2021, in accordance with these terms and conditions.
5. Regulations – terms and conditions of the EIF competition within SciMat PRA in the strategic program Excellence Initiative at the Jagiellonian University in the 2020/2021 academic year.
6. WFAIS - Faculty of Physics, Astronomy and Applied Computer Science of the Jagiellonian University.
7. Application - an application form containing a description of the research project and expected research results and the forms of their dissemination.
8. Applicant - an individual academic teacher employed at WFAIS in the group of research or research and teaching staff, holding at least a PhD with habilitation (DSc), submitting a project under the announced EIF competition.
9. Project manager - the EIF project manager whose application was qualified for financing as a result of the competition procedure.

## **II. General rules of the EIF competition**

1. Financial resources for the implementation of the EIF competition come from the budget of SciMat PRA under the ID.UJ.
2. The financial resources referred to in para. 1, are granted on the basis of submitted applications and may only be used to finance or co-finance the repair of research equipment.
3. The maximum duration of expenditure for an EIF is 9 months from the time it is financed.
4. Qualification of applications for funding in the EIF call and acceptance of reports on the implementation of this project is carried out by the Committee for the allocation of funds within the EIF. The Committee consists of 5 people, including: SciMat PRA Coordinator or a member of the SciMat PRA Executive Team authorized by him, Vice-Dean of WFAIS for research and development, director of the Institute of Physics, and 2 WFAIS research and teaching staff, with at least a PhD with habilitation.
5. The decisions of the Committee may not be appealed against.

## **III. Conditions for entering the competition**

1. The maximum amount awarded for a single application under the EIF call may not exceed PLN 150,000.
2. Applications in electronic form are accepted continuously in the academic year 2020/2021 at the Institute of Physics Secretary Office.
3. Projects financed from other sources or applying for financing from other sources may not be submitted to the EIF competition.
4. It is allowed to co-finance the application from other sources, not related to SciMat PRA.

5. An applicant may submit only one application under the EIF call for proposals in the 2020/2021 academic year.
6. The application form is attached as Appendix 1 to these regulations.

#### IV. The method and criteria for the evaluation of applications

1. Only applications that meet formal criteria can be qualified for evaluation.
2. An application may be eligible for funding that concerns research equipment used in at least one of the following main research domains defined in the SciMat PRA strategy: nanomaterials, materials related to energy generation and storage, materials for biotechnology and medicine.
3. During the substantive evaluation of applications, the following criteria are taken into account:
  - a. the applicant's academic achievements (max. 40 points), which include:
    - i. to the ten most important publications from the last 5 years (max. 20 points),
    - ii. research projects carried out in the last 5 years in which the applicant acted as the principal investigator (max. 20 points),
  - b. research works planned with the use of the equipment proposed in the project (max. 40 points),
  - c. the degree of accordance of the planned research work with the use of the equipment whose repair is being requested in the areas of research domains indicated in sec. 2 (max. 20 points).
4. The maximum number of points that can be obtained by an application is 100.
5. Failure to obtain at least 1 point in each of the evaluation criteria specified in sec. 3 lit. a), b) and c) eliminate the application from participation in the competition.
6. Funding will only be available for applications that achieve a total of at least 70 points.

#### V. Outcome of the call

1. Based on the assessment of applications and the availability of funds in the SciMat PRA budget for WFAIS, the Commission prepares a ranking list - at least once a quarter - and issues a decision on granting or refusing funding (the list of co-financed applications will be published on the SciMat PRA website)
2. Co-financing under the EIF competition is granted until the sum provided for this purpose in the SciMat PRA budget for WFAIS for a given academic year is exhausted.

#### VI. Expenditure and method of accounting for the allocated funds

1. The funds awarded under the EIF competition are spent in accordance with the rules in force at the Jagiellonian University. In particular, all financial documents must be signed by the SciMat PRA Coordinator or a member of the SciMat PRA Executive Team authorized by him.
2. In order to settle the co-financing, the WFAIS employee submitting the application presents in electronic form the substantive and financial report on the implementation of the EIF project (Appendix 2) within 30 days of its completion.
3. The project implementation shall be assessed by the Commission. The evaluation of the project implementation affects the possibility of the project manager obtaining funding in subsequent competitions under SciMat PRA.

#### VII. Information on the processing of personal data

According to Art. 13 of the Regulation (EU) 2016/679 of the European Parliament and of the

Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46 / EC (general regulation on data protection , hereinafter: "GRDP") the Jagiellonian University informs that:
